**SUBMITTING UTILIZATION
REVIEW REQUESTS TO QUALIS**

FROM: The State of Alaska, Division of Health Care Services

SUBJECT: Web-based Utilization Management Reviews

Effective April 1st 2011, providers will be required to submit all utilization management reviews via the Qualis Health web-based review system, iEXCHANGE®.

Qualis Health provides utilization management review services to the Alaska Division of Healthcare Services. Utilization management includes reviews performed for pre-service, continued stay, and respective services.

In preparation for the iEXCHANGE review requirement Qualis Health will be scheduling several sessions to facilitate provider system sign up, education and training. Education and training schedules will follow soon. Information about web-based review submission via iEXCHANGE is available at:
