#### CORE VALUES

Integrity and Professionalism  
Collaboration  
Stewardship

## OUR WORK

- Delivering care management services across the country that ensure value through increased administrative simplification, support for evidence-based interventions and stewardship of limited resources.
- Consulting to Medicaid agencies, health plans and providers for health information technology system planning, selection, implementation and certification.
- Providing practice transformation technical assistance nationwide for clinical practice redesign and transformation, including NCQA PCMH Recognition support.
- Leading multiple data-driven strategic initiatives that contribute to better care, better health and lower costs through improvement as a Medicare Quality Innovation Network-Quality Improvement Organization (QIN-QIO).
- Guiding practices to optimize the meaningful use of electronic health records.

## URAC ACCREDITATION

Qualis Health has full URAC accreditation in health utilization management and case management.
