Attachment A- Recertification Checklist for Individuals in ICF/IID

Note: ***For the Department of Health Care Finance to process a recertification request, all information below must be included in the order of the checklist. Submissions without a completed and signed checklist and/or that do not include the required information will not be reviewed. Incomplete submissions will be returned to the ICF/IID provider agency for finalization and resubmission.***

****Recertification of an individual's need for continued ICF/IID service is required, at minimum, twelve (12) months following the date of previous certification.***

The requests shall include the following:

- **The Continued Stay Recertification Form-completed in its entirety;**
- **The Physician's Certification and Recertification for Intermediate Care Form-dated with the physician's original signature; the date of certification/recertification cannot exceed one year from the date of physician's signature;**
- **A copy of the ISP for the requested recertification period;**
- **A copy of the most recent physician's order sheet and laboratory results including psychotropic and/or therapeutic drug levels and Hepatitis B status. The results should coincide with the physician's orders;**
- **A copy of the current physical examination;**
- **Results of TB testing: Annual tuberculin purified protein derivative (PPD) skin test, Chest X-ray report, or QuantiFeron TB Gold (QFT-G);**
- **A copy of the emergency room visit reports and/or hospitalizations/incident reports, if any for the previous year;**
- **Any other documentation necessary to evaluate the status of an individual who has experienced adverse events.**
