3. What imaging procedure is being requested? (select ONE)
   Angiogram
   MRI
   PET (select one)
      Staging
      Restaging
   Other:

4. Imaging procedure being requested to assess: (select ONE)
   70551
   70553
   72141
   72146
   72148
   72156
   72158
   73221
   73222
   73721
   74183
   78452
   78815
   Other **(If selected, please fill out AKM Imaging Assessment B at the bottom of this form.)**

5. Part of body to be imaged: (select ONE)
   - Abdominal
   - Abdominal and Pelvis
   - Brain
   - Breast (If selected, you must select one of the following: bilateral, left or right)
     - Breast – Bilateral
     - Breast – Left
     - Breast – Right
   - Cervical Spine
   - Chest
   - Elbow (If selected, you must select one of the following: left or right)
     - Elbow – Left
     - Elbow – Right
   - Face/Orbit/Ear/Throat
   - Foot (If selected, you must select one of the following: left or right)
     - Foot – Left
     - Foot – Right
   - Hand (If selected, you must select one of the following: left or right)
     - Hand – Left
     - Hand – Right
   - Heart
   - Hip (If selected, you must select one of the following: left or right)
     - Hip – Left
     - Hip – Right
   - Knee (If selected, you must select one of the following: left or right)
     - Knee – Left
     - Knee – Right
   - Lower Extremity (If selected, you must select one of the following: left or right)
     - Lower Extremity – Left (non-joint) Site Requested
     - Lower Extremity – Right (non-joint) Site Requested
   - Lumbar Spine
   - Shoulder (If selected, you must select one of the following: left or right)
     - Shoulder – Left
     - Shoulder – Right
   - Thoracic Spine
   - Upper Extremity (If selected, you must select one of the following: left or right)
     - Upper Extremity – Left (non-joint) Site Requested
     - Upper Extremity – Right (non-joint) Site Requested
   - Whole Body PET (base of skull to thigh)
   - Wrist (If selected, you must select one of the following: left or right)
     - Wrist – Left
     - Wrist – Right
   - Other (Enter Text)

6. Reason for the requested imaging procedure: (include restaging, follow-up, pre/postop, accident, rule out dx, differential dx, etc.)

7. Previous Care completed: (select all that apply)

HEP (Home Exercise Program) (If selected, answer all the following questions)

Date HEP was complete:

What body part?

Was HEP effective in reducing your symptoms? Yes No

Imaging (If selected, answer all the following questions)

Date imaging was completed:

What type of imaging test? (select ONE)

MRI

CT

US

PET

X-Ray

Other: Enter Text

Labs (If selected, answer all the following questions)

Date labs were complete:

Type of lab tests and results:

Medications (If selected, answer all the following questions)

Type of medication: (select all that apply)

Narcotics (If selected, answer all the following questions)

Narcotics – date medication was completed:

Narcotics – duration and results:

NSAIDS (nonsteroidal anti-inflammatory drugs) or Acetaminophen (If selected, answer all the following questions)

NSAIDS or Acetaminophen – date medication was completed:

NSAIDS or Acetaminophen – duration and results:

Other: (If selected, answer all the following questions)

Other – date medication was completed:

Other – duration and results:

Surgery/Biopsy (If selected, answer all the following questions)

Date surgery/biopsy was completed:

Surgery/biopsy results:

Physical/Occupational Therapy (If selected, answer all the following questions)

Date therapy was completed:

What body part?

Was therapy effective in reducing your symptoms? Yes No

Activity Modification or Other: (Enter Text) (If selected, answer all the following questions)

Activity modification or Other – date completed:

Activity modification or Other – duration and results:

Not Applicable

8. Current treatment: (select all that apply)
   - Cancer Care: Chemo/Radiation
   - HEP (Home Exercise Program)
   - Narcotics Ordered
   - NSAIDS or Acetaminophen Ordered
   - Physical/Occupational Therapy
   - Steroid Modification (Oral or Injection)
   - Other: Enter Text
   - Not applicable

9. Brief description of the patient's plan of care and any other information to be considered for this imaging review (Example: symptoms and duration, surgery/procedure planning, ruling out a diagnosis)
